

PRIVATE EQUITY

When Cultures Collide

HOW TO ADDRESS A
CULTURAL MISMATCH

EXECUTIVE SEARCH

PRIVATE EQUITY

Transformation Begins Now

For nearly 25 years, the founder of Level 5 Partners has led recruitment services for leading companies around the globe.

Today, Level 5 Partners has emerged as an advanced talent development organization applying an analytical approach to improving a portfolio company's performance.

Integrating a consulting process into the initial approach well beyond the hiring date has scientifically improved not only the performance of the new executive but also the performance of the company.

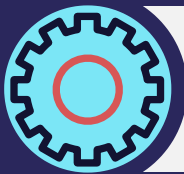

It Begins Now

Transforming Executive Search

Designing the best approach for the project

Early consulting to firmly understand your organization, the hiring team and culture

Take the uncertainty out of your next leadership hire.
